Property Description

Finished to perfection by a reknowned interior designer, Casa Bambu is a five-star luxury accommodation just steps away from sandy Casablanca Playa, one of the best beaches on Marbella's prestigious Golden Mile.

The property is located on a quiet street leading straight to the beach, which is only about 40 meters from the front door. Parking is normally possible in the street but guests will also have access to a private, barrier protected parking spot in a street just behind the property.

Casa Bambu has undergone a complete and total reform by it's owners and a team of professional architects and designers. The results are stunning; with décor that feels luxurious yet minimalist and traditional. The open lounge and dining area are elegant and light, with artistic touches such as floating candles, beautiful elaborate mirrors, coral light fittings, and floor to ceiling French doors that lead to a private east facing terrace. This lush, green outdoor oasis is perfect for enjoying the summer in comfort with a large seating area, complete shading and outdoor dining table and chairs.

There is a superbly equipped minimalist kitchen with every conceivable facility even down to a Nespresso coffee machine! Also on the ground floor is a storage room, a guest bathroom and shower, and even an elevator which connects all three floors of the property.
