Property Description

Casa del Mar is an exquisite beachfront townhouse set within the prestigious Marbellamar community on Marbella's exclusive Golden Mile, just steps from the golden sands of Casablanca Beach. With the sea at your doorstep and world-class attractions within easy reach, this elegant three-storey residence offers the very best of Marbella's coastal lifestyle — sophisticated, relaxed, and effortlessly refined.

Please note: Marbellamar is a peaceful, residential enclave of elegant townhouses in a prime beachfront setting. Out of respect for our neighbours, Casa del Mar is not suitable for stag or hen groups or guests planning to host loud gatherings. We kindly ask all guests to observe quiet hours and preserve the tranquil atmosphere of this beautiful community.

Ideally positioned, the townhouse offers direct access to the seafront promenade, with the iconic Marbella Club just 200 metres away and the renowned Puente Romano Resort — home to Michelin-starred dining and exclusive beach clubs — within easy walking distance. To the east lies Marbella's historic Old Town, with its charming plazas and authentic tapas bars, while to the west you'll find

Puerto Banús, famed for its superyachts, designer boutiques, and vibrant nightlife.

A car is not required during your stay. Shops, cafés, restaurants, and supermarkets are all within easy reach, and a bus stop at the end of the street provides convenient access to the rest of Marbella. Taxis and ride-hailing services are also readily available and affordable.

For those seeking a more active stay, Marbella offers an abundance of outdoor activities — from watersports, boat charters, and dolphin safaris to horseback riding and world-class golf. Guests of Casa del Mar also enjoy access to Marbellamar's private community swimming pool (open during the warmer months) as well as tennis and paddle courts. With over 30 fantastic restaurants within walking distance and four supermarkets nearby, everything you could possibly need is close at hand.

Accommodating up to ten guests, Casa del Mar blends understated luxury with homely comfort. The property has been thoughtfully updated by its owners to the highest standards, featuring a modern, fully equipped kitchen, stylish bathrooms, and soft cotton linens and towels throughout. Optional maid service and private catering can also be arranged for an even more seamless experience.
